- Means if single trip cover is selected: the period of the **trip** and terminating upon its completion, but not in any case exceeding the period shown in the schedule. Under these policies Section A - Cancellation cover will be operative from the time **you** pay the premium.

For all other sections of the policy, whichever cover is selected, the insurance starts when **you** leave **your home** or for a **business trip your** place of business (whichever is the later) to start the **trip** and ends at the time of **your** return to **your home** or place of business (whichever is the earlier) on completion of the **trip**.

However any **trip** that had already begun when **you** purchased this insurance will not be covered, except where this policy replaces or **you** renew an existing annual Southdowns multi **trip** policy which fell due for renewal during the **trip**.

Emergency and medical service

You must contact the Emergency Assistance Service in the event of an illness or accident which may lead to inpatient hospital treatment or before any arrangements are made for repatriation; or in the event of **curtailment** necessitating **your** early return **home**. The service operates 24 hours a day, 365 days a year for advice, assistance, making arrangements for hospital admission, repatriation (returning **you** to **your home area**) and authorisation of medical expenses. If this is not possible because the condition requires emergency treatment **you** or someone on **your** behalf must contact the Emergency Assistance Service as soon as possible.

Medical assistance abroad

The Emergency Assistance Service has the medical expertise, contacts and facilities to help should **you** be injured in an accident or fall ill. The Emergency Assistance Service will also arrange transport **home** when this is considered to be **medically necessary** or when **you** are told about the illness or death of a **close relative** or a **close business associate** at **home**.

Payment for medical treatment abroad

If **you** are admitted to a hospital/clinic while abroad, the Emergency Assistance Service will arrange for medical expenses, covered by the policy, to be paid direct to the hospital/clinic. To take advantage of this benefit someone must contact the Emergency Assistance Service for **you** as soon as possible. Private medical treatment is not covered unless authorised specifically by the Emergency Assistance Service.

For out-patient treatment, **you** should pay the hospital/clinic **yourself** and claim back medical expenses from **us** on **your** return to **your home area**. Beware of requests for **you** to sign for excessive treatment or charges. If **you** are in doubt, please call the Emergency Assistance Service for guidance.

Please note that **we** will only pay medical expenses deemed to be **usual, customary and reasonable**.
